PACKING GUIDELINES FOR CAMP

These are important guidelines for packing for SpringHill Camp, please read and understand these guidelines.

We recommend two bags only. A suitcase for clothing and a large duffle bag for your camper's sleeping bag and pillow. No loose items please.

- A "stuff" bag or duffle bag for your camper's sleeping bag and pillow is a must. A rolled sleeping bag always comes unraveled when walking through camp. Your camper's pillow also needs to be stored in the duffle bag.
- Place toiletries in a type of plastic bag or kit that makes it easy to travel to the showers. This also reduces the chance of spilling.
- Make sure your camper's name is on all items.
- Pack together with your camper. This allows your camper to know where everything is and to develop a sense of responsibility.
- Include plastic bags or a laundry bag for wet or dirty clothing.
- Remember that you will need to bring any medicines with you to registration on opening day.

Make your bags visually distinctive!

Add something brightly colored to your bags. This not only makes it easier for you to spot them when you pick up your camper, and it also prevents other people from taking your bags by mistake. Distinctively marked suitcases and duffle bags are also easier to find if they go missing.

Identification tags on your bags is required with:

Camper Name | Home Address | Parent Cell Number | Email

It is a good idea to place an identification tag inside your bag as well.
