

Dear Parent(s) or Guardian,

SpringHill Camps is partnering with Hope Community Church and Mack Avenue Community Church to bring an incredible opportunity to the elementary aged kids in your neighborhood. SpringHill Day Camp is coming to Carstens Elementary School. This Day Camp will be held July 6-9, Tuesday through Friday from 9 am- 4 pm. Transportation will be provided from each of the churches to the school. There will be no cost to you.

The SpringHill Staff will be there for five full days of fun. Your child will learn new songs and games, have water fun, climb walls, experience the 'flying squirrel', care for animals, all the while making new friends and learning about themselves and God! And still be home at night for you to tuck them into bed!

If your child is interested in this adventure, please fill out the registration form, health form and transportation form immediately and return it to either Hope Church or Mack Church. The completed paperwork needs to be returned by **Wednesday June 9th**. Depending on camp scholarship funding, there may be a limited number of children able to attend this camp. As soon as we receive your child's registration, we will put him/her at the top of the list!

If you have any further questions, please feel free to contact Monique at Hope (313) 823-8002 or Leon at Mack (313)-820-9509 or Danae at SpringHill (231) 679-4461.

Danae Durling
SpringHill Day Camp Director
