DON'T MISS THIS AMAZING WEEKEND!

When Jesus came, preaching and healing and serving, it wasn't at all what the world was expecting. Jesus turned their idea of an earthly kingdom upside down and instead built a Kingdom based on humility and service.

This year at Juniors', we'll focus on the concepts in Philippians 2:5-11 and Mark 10:45, and explore the example of Christ and his upside down Kingdom through age-appropriate teaching, fun interactive content, times for small group processing, and high energy praise and worship.
