

### **Where does the scholarship money come from?**

Scholarships are made possible through the direct donations of generous individuals and organizations. Scholarship money is not raised from the fees we charge our campers. If you would like to donate to our scholarship program, or if you have any questions about donating, check out our donation page at [springhillcamps.com](http://springhillcamps.com).

### **Who is eligible to receive a scholarship?**

All prospective campers with financial needs, are eligible to apply. The maximum amount that SpringHill provides for any individual is 50% with a maximum amount of \$350 of the camper fee. Last year, more than 1000 SpringHill campers received a scholarship.

### **Am I guaranteed a scholarship?**

It is our desire that no child miss out on a SpringHill camping experience because of financial circumstances. Unfortunately, we cannot guarantee every request will be granted.

### **Does my application register my child for camp?**

No. You can register online at [springhillcamps.com](http://springhillcamps.com), or fax/mail the registration form and a deposit per camper along with this application. However, if for any reason you are denied a scholarship and unable to attend, this deposit will be refunded to you in full.

### **What kind of deposit will be required?**

A deposit of \$50 is required when registering between September 25-January 15, a deposit of \$100 is required when registering January 15-April 1, and a deposit of \$150 is required when registering after April 1.

### **How will I find out if I received a scholarship?**

SpringHill Camps will notify recipients by phone or email.

### **Does the scholarship cover all costs for the camper?**

No. Scholarships are given based on individual needs. The parent or guardian is responsible to pay any portion not covered by scholarship. If you have a summer camper, please consider providing your child with spending money for the camp store and additional crafts.

### **What other options, besides scholarships do I have?**
