

PRAYER PARTNER UPDATE

December/January 2012

Thank you for taking a moment to pray for SpringHill!

Praise God For...

- Over 1,400 4th – 6th graders attending Junior's Retreats November 4th – 20th.
- God's continued blessing on our ministry through growth experienced over the years despite the economy.
- The beauty and uniqueness of the properties that we have been entrusted with to manage and steward, and for our outstanding staff who are charged with the task.
- Continued growth in prayer, financial, and volunteer support.
- The many volunteers who gave of their time and talents this summer.

Prayer Requests

Personal

- For Missy's (Database Administrator) family and the recent loss of her son-in-law.
- For Sandy (Development staff) and Nate (Guest Service staff) as they transition to new jobs. We are grateful for their faithful service over the years and they will be missed.
- For Dina's (Human Resource staff) dad as he makes progress with his physical and speech therapy, learning to stand, walk, and talk again after having triple bypass surgery.
- For Cindy's (Development staff) family and the recent loss of her father-in-law.
- For Joe's (Site staff) youngest daughter, Sara Jo during her pregnancy.
- For Chuck's (site staff) family as they deal with medical issues.
- For Matt's (Program Staff) dad as he transitions after the loss of his wife.
- For surrounding community of Evert – how to be better ministers and be involved in supporting them.

Partnerships

- God's healing and comfort for Ann (ministry partner) and the recent loss of her mother.

Ministry

- For the big season involved in hiring and recruiting more than 1,000 summer staff needed for 2012 summer.
- Ministry partners would be moved to give in supporting our ministry as fall appeals are received.
- Opportunity to apply for a grant regarding water treatment and the process involved in this.
- Day Camps expansion process – For the launch of the Chicago and new Ohio host partners and locations.
- For God to give us clarity as we transition to a regional organizational model.
- For full-time staff to have steadiness and stability as they work throughout the regional transition. Calm and wise leadership as we move forward.
- For volunteers to give of their time, talents and resources to SpringHill in all areas of camp – especially in the area of weekend volunteers. These volunteers would develop a servant's heart.
- For the spiritual health of our staff and that they would continue reading God's word and spending time in prayer so they are equipped to share the love of Jesus Christ with others.
- For the right staff to come and fill open positions.
- For a van and four wheelers needed at the Indiana property to help with recruiting and general use around camp.
- Donation of 2 special needs golf carts – necessary for transporting campers who are wheelchair bound and a truck to be used on camp for pulling trams at our Michigan property.
- For several construction projects happening this winter at both our Michigan and Indiana camps. Prayer for safety, for qualified volunteers, and for our staff working on these projects. Michigan projects include New Frontiers Infirmary, Colin Ridge – new Special Needs building, upgrades to all 3 ziplines, and repairs to Calypso in the Meadowlands.
- For multiple projects that will improve the Storybrook experience for 1st – 3rd grade campers at our Michigan property.
