OUR SPEAKERS AND WORSHIP LEADERS

Speaker: Kurt Bruner

The Bruners are in the midst of celebrating the hectic joys of parenting their own six children. They are the creative force behind a variety of practical resources helping couples and parents become more intentional about creating a God-honoring home.

Olivia is a former sixth grade teacher and mother of six children. She serves on the DriveFaithHome.com coaching team and as a speaker for the HomePointe ministry. Olivia has been a frequent guest on Focus on the Family, Family Life and other popular programs and co-hosts the It Starts At Home video curriculum for parents. Olivia is author of The Minivan Years and co-creator of the Just Add Family activity kit.

Kurt serves persecuted Christians around the world through his work with Open Doors International and lectures as a member of the adjunct faculty of Dallas Theological Seminary. A graduate of Talbot Seminary, Kurt is a former Vice President with Focus on the Family where he led the teams creating films, magazines, books and the popular Adventures in Odyssey program. As founder of HomePointe Inc., Kurt also helps local church leaders create a culture of intentional families. He has written more than a dozen books including It Starts At Home, Finding God in the Lord of the Rings and the Fatherless novel series co-authored with Dr. James Dobson.

Worship: Alanna Story

Having grown up with a family of deep faith and deep musical heritage, Anna & Ally Long were captivated by the musical arts from an early age. Both began their studies in piano and theory as

kindergartners. Anderson University is where both of these sisters received their undergraduate degrees. They quickly became involved in the campus worship ministries and began serving across the country leading worship for retreats, rallies, and conventions. In 2008, Anna & Ally felt led to pursue their original music and gathered musicians with a similar passion for worship and a vision for awakening. It was then that Alanna Story was born...to love Jesus and lead others into the throne room of God.

SESSION INFORMATION

CHILDCARE PROGRAM

Children of any age are welcome to join you for Main Sessions.

Age-appropriate care is provided as an option for our youngest guests during Main Sessions (ages 0 through kindergarten) by our incredible staff. During Sunday Night Live childcare is available for children up to age two. We encourage you to take preschool-aged children to Sunday Night Live! Please make dropping off and picking up your children a priority when planning your schedule before and after sessions. Drop-off is up to 15 minutes prior to Main Sessions in the Catapult Room upstairs from the Gym.

SATURDAY AM

God's Kingdom: The foundation of God's kingdom is built on His perfect love.

Our Kingdom: Sometimes we find the foundation of our family is built on money, our job, our abilities, and our relationships. What happens when debt occurs, the job was lost, our abilities are not good enough, or distrust occurs? Building our foundation on these things will only lead to cracks and eventual crumble. How do you build your kingdom with a foundation built on God's love?

SATURDAY PM

God's Kingdom: In God's kingdom He has shown you who you are.

Our Kingdom: The world tries to blind you from what you are created for and from knowing who you are. We have been given a choice to receive our identity from God or from the world.

SUNDAY AM

God's Kingdom: The Kingdom of God is always at work around us.

Our Kingdom: There are situations happening in our lives and in our world around us that we don't understand. God, however, is working through every situation if we were to take the time to see it through His lense.

SUNDAY NIGHT LIVE

God's Kingdom: God is fighting on our behalf every day. We know, however, that He has won the battle.

Our Kingdom: The devil is trying to steal, kill, and destroy us by trying to make other things in our lives the priority like sports, screen time, jobs, homework and others. The priority in our kingdom should be to seek God first.

MONDAY AM

God's Kingdom: God calls us to continue to grow His kingdom here on Earth.

Our Kingdom: God calls us to serve each other in our kingdom at home. God calls us to be His tools to expand His kingdom in our community and world.
