

Essential summer camp information

Packing guidelines

PLEASE READ

We recommend **two bags only**: a suitcase for clothing and a large duffel bag for a sleeping bag and pillow. No loose items please.

- + **When getting bedding and sleeping bags out of storage**, we recommend using one of the following methods to eliminate the possibility that any bugs or eggs may have made a home over the winter months: place items in a clothes dryer on high heat for 30 minutes, vacuum, or clean with soap and water or an alcohol-based cleaning product.
- + A **“stuff” bag or duffel bag for your child’s sleeping bag and pillow is a must**. A rolled sleeping bag always comes unravelled when walking through camp. Your child’s pillow also needs to be stored in the duffel bag.
- + **Place toiletries in a type of plastic bag or kit** that makes it easy to travel to the showers. This also reduces the chance of spilling.
- + **Make sure your child’s name is on all items**.
- + **Pack together with your child**. This allows your child to know where everything is and to develop a sense of responsibility.
- + **We recommend packing all clothes in a heavy gauge garbage bag**, squeezing air out, twisting shut, and then placing bag into luggage. In a separate bag, pack bedding the same way. Include some extra bags for dirty laundry.
- + **Bring any medications in their original packaging with you** to registration and check them in with a health officer on Opening Day. **Please do not pack medications in your child’s luggage!**
- + **Identification tags on your bags is required with:** Child’s name, home address, parent cell number, and email
It is a good idea to place an identification tag inside your baggage as well. **Make your bags visually distinctive so they are easier to find at pick up or if misplaced.**
